

HATWALK 2010

celebrating hats and the comfort they bring to cancer patients

Asian American
Cancer Support Network

Dear Interested Community Partner:

The Asian American Cancer Support Network (AACSN) is proud to host its fifth fundraising gala, "HATWALK 2010," which is scheduled for October 16, 2010 at the Hyatt Regency in Burlingame, CA. This year, we are focused at raising cancer awareness amongst our Korean American community.

We are seeking local community partners to help support our fundraising efforts. Here are some ways that partners can provide support:

- Direct sponsorship
- Promotional advertisement material for the program book
- Providing donations for a raffle, silent auction, or live auction

Many organizations wonder about how they can participate in our raffle and auctions. Past donations have included gift certificates, vacation packages, apparel, accessories, decorative items, gift baskets, memorabilia, and cosmetic and dental services. All contributions are tax-deductible. We are appreciative for the many creative donations that we have received, and we are happy to chat with you about ideas on how your organization can partner with us.

"Asian American Cancer Support Network seeks to become a community resource network for Asian-American individuals affected by cancer in the Bay Area. Some of our activities include: sending complimentary care baskets to those newly diagnosed with cancer, providing free cancer support workshops, developing cancer FAQ pamphlets in various languages, free mammography screening project, cancer survivor Paddle Past Cancer dragon boat racing, and supporting other local cancer organizations such as the Lymphoma and Leukemia Society, and more."

Please also check our website at WWW.AACSN.ORG for more information on AACSN and the gala. AACSN is an all-volunteer, non-profit organization. Our federal tax ID number is 42-1599565.

(650) 968 8488 or mail checks to P.O. Box 2919, Sunnyvale, CA. 94087.

Event Description: Join us for a fun filled evening at our HATWALK 2010 gala, to celebrate the value of “HATS” and the comfort they bring to cancer patients. This year, we are proud to bring a Korean flair to the event! We are proud to work with local sponsors and talents to make this an evening to remember.

Come see our unique “HATWALK”, showcasing various hats worn by volunteers, cancer survivors, and those battling with cancer. Try your hand at both the silent and live auctions for gifts from our local sponsors. Also, enjoy entertainment programs we have choreographed especially for this special event, along with our inspirational cancer survivor guest speakers.

The evening kicks off with our silent auction as you enjoy the company of those around you looking to make a difference in the lives of cancer patients. After mingling and placing your bids at the silent auction tables, enjoy a three-course meal prepared specifically for this event.

All donations to AACSN, including those from this evening's gala, will be used for cancer support activities such as sponsoring cancer-related support workshops, sponsoring lectures by healthcare professionals specializing in cancer care, developing pamphlets in different Asian languages that answer frequently asked questions about cancer, mammography screening for the underserved community, and providing comfort to those affected by cancer through care baskets. Funds will also be donated to other local cancer support groups.

AACSN Story: The Asian American Cancer Support Network (AACSN) was founded in July 2003 by May Bakken and Fidelia Butt, M.D., as a non-profit organization with a mission to become a community resource network for Asian Americans affected by cancer in the Bay Area through social programs and creative fundraising.
